EDITORS NOTES

A warm welcome back to the Old Show Ground for the first match of 1979. Visiting Scunthorpe for the first time are non-league newcomers Wigan Athletic who beat us 1-0 at Springfield Park earlier in the season. Despite collecting only one point from their opening five game Wigan have come to terms with league soccer and are now putting in a real challenge for a top four place by the end of the season. Last weekend they defeated high flying Pompey by a 2-0 scoreline and will provide United with a difficult task this afternoon.

Last Saturday's game at Aldershot was United's first of the year and this was followed by a further postponement at Barnsley in mid-week. An up to date fixture list can be found on Page 9 with only Stockport County and Barnsley (away games) still to be re-arranged. The reserves have fared slightly better so far this year, both away from home. A 4-1 defeat at Lincoln was followed by a 2-0 victory over Mansfield Town at Field Mill. They were also due to play Rotherham United last Tuesday evening. However the worst hit of United's sides have been the Juniors who have not played since winning 2-1 at Sheffield Wednesday on November 25th.

There is a large backlog of matches to be re-arranged in both the North Midlands and Northern Intermediate Leagues and these will be printed in a future programme when Mrs. Louth has been able to fix new dates. Finally do not forget United's next home game on February 24th when Wimbledon are the visitors.

The Editor.

COLUMN ONE

Welcome back to the Old Show Ground for our first home senior team game of 1979—such has been the effect of the weather all through January, and for part of the current month.

Today we give a warm welcome to Fourth Division newcomers Wigan Athletic, who have recovered after an indifferent start, and are now nicely placed to make a promotion challenge over the second half of the season.

Certainly Wigan have proved their worth to the division, and we look forward to an interesting and entertaining match.

The bad weather of January resulted in several of our games being postponed, and our supporters are asked to watch the local press for news of re-arrangements.

The latest postponement came on Tuesday when we were due to make another effort to get our re-arranged game at Barnsley off the ground. But again the Oakwell pitch could not be passed as playable, and the match has now been re-arranged for Tuesday, February 20th. Keep the date in mind you supporters.

It was disappointing to go down by 2—0 at Aldershot last week, and particularly as we played some good build up football from midfield. But games are won in front of goal, and the sad fact is that we failed to put our chances away.

Certainly there was nothing wrong with our build up, and there was little to suggest that the players had been of of competitive action for more than a month.

Supporters will have noticed that Mr. Cyril Smith, a director of the club for more than 10 years, has resigned for personal reasons. The club wishes to thank him for his hard work and loyal service over the years, and they feel sure that he will continue to give the club his unstinting support.
